*This summary is incomplete in that reports from all stations are not included. Only larger stations, or stations representative of a geographical area are included. Fluctuations in strength at some stations, or in some areas may be the result of not having received all of the reports from those stations or areas at the time this summary is published.

CONFIDENTIAL

Do not release this report to the public or to any other person without the express written consent of the Director of the Central Intelligence Agency. This report contains information which is classified as "Secret" under Executive Order 11652, and its disclosure could be injurious to the national defense.
